

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

Pharmacy Technicians

You know your skills and training are highly valued!

Come be part of our future!

Island Health is one of five regional health authorities in British Columbia and is the largest employer on Vancouver Island with more than 24,500 employees working in a variety of practice environments. If you are a **Registered Pharmacy Technician**, we invite you to consider a satisfying and rewarding career in hospital pharmacy with Island Health. We are currently recruiting in the following communities: Victoria, Duncan, Nanaimo, Port Alberni, Comox Valley and Campbell River.

We offer excellent work environments and an exceptional benefits package including:

- Dental and prescription coverage
- Group life and long term disability
- Extended health plan
- Vacation entitlement starting at 18 days after your first year of employment
- Wages starting at \$27.66/hour
- Defined Benefit Pension Plan

PHARMACY TECHNICIANS - *Important* members of our Pharmacy Team

Our Pharmacy Technicians enjoy a diversity of roles that include:

- Obtaining medication history through patient interviews
- Sterile compounding, including pediatric, neonatal and chemotherapy settings
- Independent checking of dispensed products
- Packaging and inventory management using state-of-the-art technology
- Project work in collaboration with medication safety
- Career ladder to leadership roles as Technician Supervisors and Trainers
